

# SUPERYACHT CHARITIES

Antigua Sundowners with Superyacht Charities  
Monday 4<sup>th</sup> December 2023

## The Event

Returning for our annual gathering in the Caribbean, this is an informal event, presented in association with the famous Antigua Charter Show. On the first evening of the show, we will gather for drinks and BBQ delights served by the fabulous Boom Restaurant at the Admiral's Inn. The format is naturally less formal than our Southampton Ball – Caribbean Casual – and starts at 1800hrs to give everyone a chance to have a good evening and be home by midnight and ready for the Charter Show the next day.

We expect the full breadth of our Superyacht Industry to be present to have fun and raise funds for our selected worthy causes.

Tickets are available at £40 per person

## The Charities

Over the years we have supported many charitable causes associated with our yachting world. For this event we plan to raise money for local causes as well as a little for our SYC Action Fund – **Cash 4 Causes**.

- **GILM INC** - This non-profit charitable organization operating for just over 25 years works with under privileged families and single women with children.
